DETAILED ACTION

1. This office action is in response to the Amendment filed January 23, 2008.

Accordingly, claim 26 was amended, and claims 1-24 were cancelled. Currently, claims 25-41 are pending in this application.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

Claim 26: in line 7, after "the data pads" delete "includes" and insert --include--.

In the title: the title is changed as --Liquid crystal display panel comprising data lines having alternately different extended lengths to data pads at respectively different levels above the substrate--.

Allowable Subject Matter

3. Claims 25-41 are allowed.

The following is an examiner's statement of reasons for allowance: none of the prior art of record fairly suggests or shows all of the limitations as claimed.

Specifically, re claim 25, none of the prior art of record discloses, in combination with other limitations as claimed, an LCD panel comprising a plurality of data lines

crossing the gate lines and having alternatively different extended lengths to the data pads at respectively different levels above the insulating substrate.

The most relevant reference, US 6,683,669 B1 to Fujikawa, fails to disclose or suggest a plurality of data lines having alternatively different extended lengths at respectively different levels above the insulating substrate. As shown in Fig. 1(a), Fujikawa only discloses the data lines 3 having alternatively different extended lengths 7 to the data pads 8.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
